Happiness is . . . . .

Future Farmers of America display a fine example of hard work with their homecoming float. This year the FFA boys received second

place in the float contest. The float consists of a lion riding a bull and attempting to gore the Matador with its horns.

"Welcome the Mats" helps the Senior class to win third place in the annual float contest during the 1970 Homecoming Parade. Many hours of work at Copeland Lumber Yard is shown here.

Superintendent Wayne Boulding escorts the 1970 Homecoming Queen, Cathy Cakebread, onto the field to start the half-time activities. Cathy will receive a trophy, roses and football during the festivities.

This year the class of 1972 captures first place in the float contest. The float consists of a Lion stirring a Matador in a steaming pot.

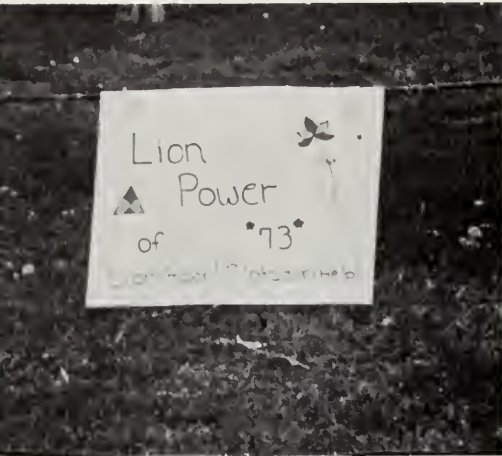

The Lion's arms moved and the pot really is steaming. This is the second year the 1972 class receives first place.

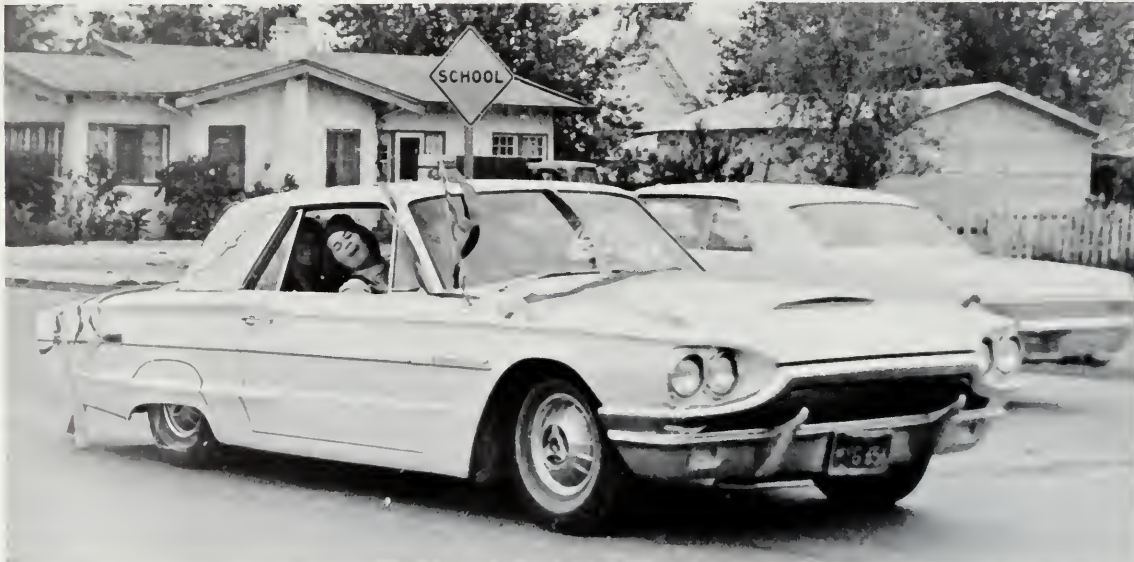

Proudly displaying the roses given to her by the student body president and her crown is 1970's Homecoming Queen, Cathy Cakebread.

1970's Homecoming Queen is crowned this year by 1969's Homecoming Queen, Lisa Kaplan. A glow of happiness appears on Cathy Cakebread's face as the crown is put onto place on her head.

During the Homecoming rally Cindy Celoni impersonates an inebriated individual. She is trying to reach the floor? This sketch is joined by other students and school mascots.

Among the many signs hanging around the campus during Homecoming week is this "Lion Power" an original design.

Jovially singing a victory song is Nance Tovar, Sharon Somerhalder and others. This car is only one of the many participating in the car

rally which starts Homecoming activities. To conclude the fun-filled day is the after-game dance held in the Stonebarger Gym.

With a couple feet from losing, Juniors pull with all their strength during the tug-a-war event on Homecoming day.

As the Freshmen attempt a victory over the Juniors in the tug-a-war contest, non-participants cheer the class on. Homecoming is a big event and almost everyone joins in on the fun. This event is just one of the many held on Homecoming day.

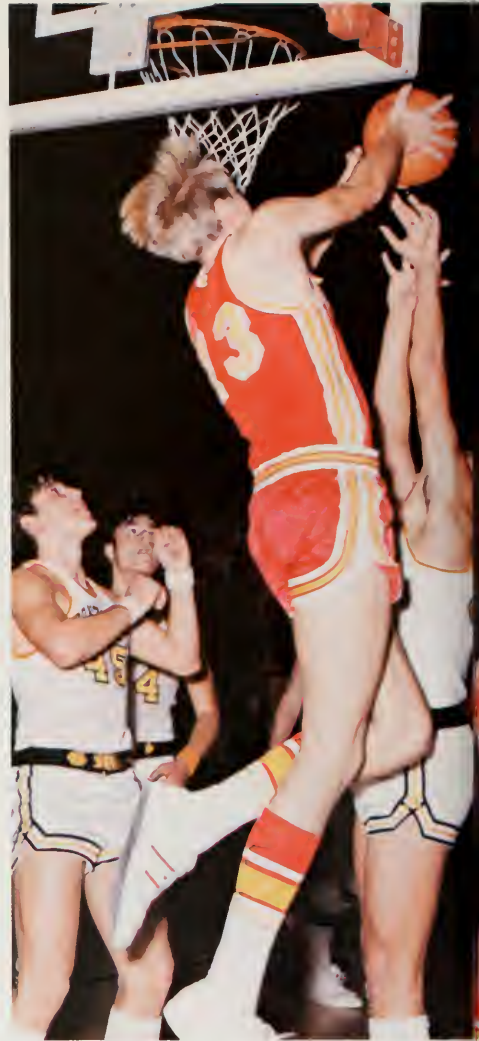

Mike Rozenski 13, high point man for the evening, reaches high over his opponents hands to shoot the ball onto the basket as Mark

Dwellely 30, and Steve Knight 11, look on. The Lions went on to victory over Antioch.

Tony Rosas bursts through a hole opened up by his Lion teammates. Assisting Tony with blocks are Gary Billingsley 82, Steve Bron-

zon 50, Carl Rogers 77, Rick Fortner 81, Steve Knight 47 and Ben Orozco 76. The Lions went on to beat the Indians.

Varsity Cheerleader Mary Jo Robinson jumps happily into the air as she yells a victory cheer for the Lion players.

Antioch Panther 45, jumps high attempting to block a shot by Steve Knight 11. Bob Fachner 20, awaits a chance to help his teammate in the

Antioch game. Lion rooters cheer as two more points are added to the score.

Varsity football player Gary Billingsley 82, is just about to receive a pass with his opponent ready for the tackle.

Quickly going over some strategy with players Mike Rozenski, Glenn Stonebarger, Dale Jay and John Casey is Coach Jerry Miller.

Swim team member Charles Powers is displaying skill and speed here as he wins the free style race. Charles is an asset to the team and will surely be missed next year.

Songleaders Ardie Dawson, Marie Gomes, Diane Wristen, Georgi Massoni and Angela Pacheco cheer the Lions on to Victory against the Antioch Panthers on December 4.

With a successful serve, Ed Prewett gives his opponent a good game of tennis. This is Ed's fourth year on the tennis team and has proved to be an asset to the team. Fedro Yanez, a retired professional tennis player, coaches the team as well as groups in the summer.

Liberty Lion Jim Honegger attempts a free shot during the Antioch vs Liberty basketball game, December 4, at Antioch.

As Mike Rozenski 13, pushes the ball a Dublin Gaels opponent, 32 hopes for a miss and a chance to get control of the ball.

Roland Duran 40, is hit behind the line of scrimmage by an Amador opponent. Duran is named most valuable player for the frosh.

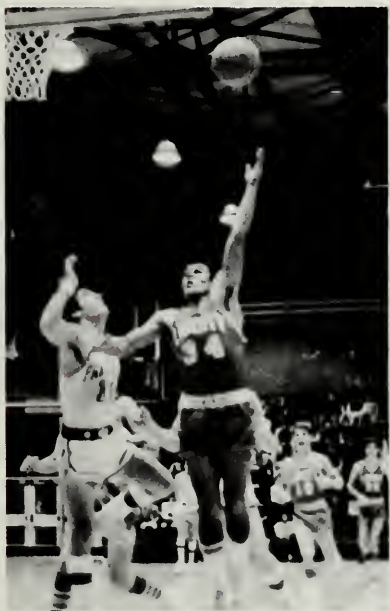

Jim Honegger drops back to pass against the Dublin Gaels. Steve Knight slips out of the back field while Glenn Stonebarger and Mark

Dwellely provide pass blocking protection. The Lions went on to defeat the Gaels 14 to 10 and cinch at least a second place tie.

Sharon Somerhalder leads her Pinole Valley opponent by a very narrow margin in the breast stroke event. Sharon went on to capture four first places and lead her team to victory. Under the coaching of Miss Barbara Tescher, the girls' swim team finish with a 3-3 record.

Junior Varsity Basketball player Sal Gasca 34, jumps to try a left hand lay-up while Antioch Panther 11 tries to block the shot or intimidate Sal to make him miss.

As the Girls' Physical Education class plays soccer Kaye Axleguard, P.E. instructor, demonstrates how to hook the ball with the side of your foot the throw off your opponent.

Performing at the Christmas concert is the A Cappella choir. The audience enjoys listening to the traditional carols.

Hay's fly'n as Cindy Celoni decides to repay a friend for dumping her into the hay pile. All the hay flew at the annual Barn Dance on October 17 in the Stonebarger Gymnasium. Students cheer for the 1970 Future Farmers of America Chapter Sweetheart, Barbara Wheeler.

Is this the moment when all the guys get back at their girls? Screams were heard and hay flew as more people piled into the hay.

Barber Shop Quartet members Manuel Andrade, James Mountain, Donovan Rice and Darrell Hoyle perform at the Annual Christmas Concert, held December 17 in the

Stonebarger Gymnasium. The quarter sang 'Oh Come Oh Ye Faithful' and their annual Coney Island Baby

Along with Arthur Gonzales is two of his American History students, Tim Rogers and Mike Sanchez. They are at San Juan Batista

between Salinas and San Jose. The class spent the day exploring the surrounding scenery and the mission's history.

Oleander bushes and blooms are found in the garden of Mission San Juan Batista. This is one of the many beautiful flowers there.

Discussing matters known only to them is Sharon Sommerhalder and her "good friend" Dale Nunnally, who is usually at her side.

Lucy Rios, Donna Walston and Lee McAtee stroll down the sidewalk during lunch time

probably on their way to a fourth period English or Social Studies class.

Sharing musical ability seems to be a favorite pass-time for Lee McAtee and Rocky Patterson, who are usually with guitar in hand.

English teacher, Miss Virginia Diehl dresses up her class room with a poster of Snoopy entitled "Love is a Many Splendid Thing".

These boys seem to be enjoying the view as much as we are. Wonder if they realized their picture would appear in the yearbook.

New to Liberty this year is the Boy's Home-making class. Phil Lago seems to be enjoying his cooking lesson for the day?

Bill Michaud looks as if he is ready to fly. Most likely he is explaining an aspect of taxidermy to some parents on back to school night. Mr.

Michaud is new to the school this year. He teaches natural resources, metal shop, Ag. science and auto shop.

John Macfarlane, the exchange teacher from Canada takes part in the English program, by teaching supernatural literature, mass media

and composition classes. Here he is speaking to one of his IA classes. Mr. Macfarlane seems to be enjoying his year here.

On October 27 the Liberty teachers prepared for their students parents a Back-to-school Night. Here Dennis Buckley is talking to a group of parents about his class.

Mascots Linda Ghilarducci and Nance Tovar decide to let Lion rooter Cathy Graves lead the cheer section at one of the football games.

Using fluorescent paint, Burt Broussard paints the inner edges of his name. Burt cut the letters out of a wood plaque. It takes time to perfect

the skill to cut letters of this fashion. After the letters are cut they have to be carefully sanded before applying painting.

Dennis Baldocci looks on as biology teacher, Ron Overton, describes and demonstrates the procedure in dissecting a star fish.

Myrene Gould is polishing a strip of copper for a ring as jewelry teacher John Meyers is soldering a semi-finished ring.

New to the Library are volunteer women from the community to assist the Librarian in his duties. Shown here is Mrs. Ted Halsey, one

of the volunteer helpers, arranging a window display. The women perform such tasks as filling books and magazines and helping students.

Probably searching for a book to read for one of the many literature classes offered this year is Junior Debbie Pool.

Rick Fortner confides in assistant librarian Katherine Sorenson as student assistant Shawn Phillips listens in.

Girls' Physical Education includes demonstrations on the different ways to pass a basketball. Here the class is watching a demonstra-

tion of the chest pass. The instructor went on to show the girls such skills as lay-up shots, one hand push shots and dribbling.

Shown here is a copper ring being soldered together. The ring has a second strip on the outside which forms the design.

# Board Approves Construction Of Press Booth

As the backbone of LUHS the Board of Trustees met on the second and fourth Thursday of each month to discuss and decide on school plans.

This year the board accepted various proposals, such as the constructing of the press booth and the school's water well. Future plans for

rebuilding the dressing rooms at the swimming pool and constructing necessary classrooms were put into motion.

A student representative attended the meetings in order that the board know and understand various ideas and opinions of the student body.

Members of the Board and the Superintendent attended the Annual Joint Conference held this year in San Diego from December 5 through 8. There they discussed current problems and proposals of the state.

As part of the job of the board members, the appearance and quality of the school grounds are kept up to good standards.

Construction of the press booth was a major contribution of the board. Mr. Jack Adams, his wife, and Donovan Rice view the football game from the press booth.

Seen among the crowd at every basketball game is board member, Mr. Art Honegger, who is very deeply concentrating on what is going on down on the court.

Board of Trustees: Mr. Dewey DeMartini, President; Mr. John Bloomfield, Mr. Art Honegger, Mr. Leonard Gerry, and Mr. Floyd Pedersen.

# Superintendent Works For Tax Increase Election

Approval of a 25 cent tax election was just one of the many things attributed to Superintendent Wayne Boulding's efforts this year. Working with honor roll students, Mr. Boulding had lists of students parents made so they could be advised on the importance of the election.

Establishing closer communication between parents and the school was also achieved. Through the Parents' Club, meetings, and Coffee Klatches parents have been able to understand what is happening at the school.

Mr. Boulding also had the difficult task of completing a curriculum review started two years ago. Along with this a new budgeting

system was started. It is hoped the system will be prepared and be in use by 1973.

Currently involved in going to the University of Southern California in Los Angeles, Mr. Boulding is working toward a doctorate degree in education. He has attended the University for the past two years.

Mr. Boulding attended various workshops and professional development programs as school administrator.

Mr. Boulding's comment on the school year was, "If I can accomplish the above goals I feel I've accomplished a considerable amount this year."

Talking about a janitorial problem within the school, Frank Souza explains what is actually wrong to Mr. Wayne Boulding.

Escorting Cathy Cakebread, 1970 Homecoming Queen, off the field during half-time is Superintendent Wayne Boulding, who is holding the trophy awarded to Cathy.

# Administrators Meet Parents In Informal Groups

Explaining the meaning of some important papers is Mr. Lou Bronzan to Sherri Lawhorn, who is a student assistant.

"Koffee Klatches" were established at the beginning of the year as groups of parents and administrators met in different homes where discussions were held so parents could become more informed about school.

Principal Lou Bronzan and Vice-principal Vernon Noble were kept busy attending "Road Shows" or meetings where the administrators could be kept up to date on new

developments in education.

Mr. William Snow was the coordinator of Federal Projects, along with also being in charge of this year's Adult Evening Program.

Rather than assigning students who get into trouble detention, this year Mr. Gerald Clayburn tried to involve the parents and have them help solve the problem.

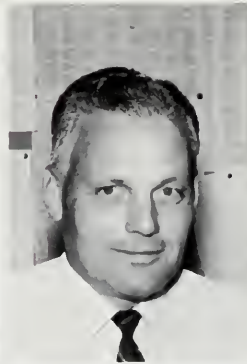

Mr. Gerald Clayburn writes out a pass for Patsy Lago and Donna DeAzevedo as Linda Worden and Elsa Rodriguez, student assistants, help out in the office.

This year a new project was started in the counseling department. Entitled "Group Counseling", it was headed by Mr. Henry Raming and was aided by Mrs. June Drake, school psychologist.

The main purposes of group counseling are to talk about common concerns or problems, express feelings in a small group, and to help students to understand each other.

Some of the regular duties of the counselors this year were handling transfers, arranging and discussing classes with students, having conferences with students' parents, and helping students with their many social and school problems.

Candy strippers were formed this year by the school nurse, Mrs. Barbara Bonnickson. Groups were started in September and January.

School psychologist, Mrs. Drake, was busy talking with parents and students about many home, family, and social problems.

## Language Classes Operate On Rotational System

French and Latin classes are participates in a rotational language system which permits desired languages rotated in designated years. This means that since French I and Latin II were taught this year, they would not be repeated next year since there is a lack of funds. But they would return in the 1972-1973 year. Next year the Language Department will offer French II and Latin I.

While the French I class studies conversations and culture through bright new audio linqual methods, the Latin II class employed new textbooks, *Artes Latinae II*, which is part of an individualized system of study chosen by their instructor.

The Latin classes are also engaging in field trips to museums, and local and state conferences to further their studies.

## Students Determine Own Courses For First Time

Mr. John Macfarlane, Liberty's exchange teacher from Canada, seriously explains something to an English class.

Students at Liberty Union High School had the choice of deciding from various classes in the English department for the first time.

They had to scramble fast to sign up for the desired class before it was filled, as all the courses were offered on a first come, first served basis.

English department chairman, Ellrie Von Schopp, explained that the department decided to take a new approach in teaching English to students in the upper three divisions.

"The department is offering a variety of new courses on a quarterly basis. Each student will be permitted to select the course he would prefer, from a wide range of courses."

A new teacher, Mr. John Macfarlane, came to Liberty from Canada on an exchange program for one year. Mr. Oliver Bascom, an English teacher from Liberty went to Regina as the other part of the exchange.

Peering out of the door is Miss Virginia Diehl as the photographer snaps her picture. A student is waiting for assistance.

# Department Raises Standards To Meet Demands

They are consuming more knowledge in the area of mathematics during their elementary school years. This requires the department to improve to meet rising standards.

The department is beginning to

use a series of national achievement tests, primarily the Cooperative Mathematics Tests and the Blyth series, given at the end of the year so the students can be compared to the national average.

The mathematics teachers of Liberty initiated these tests so they could test the effectiveness of their instruction in the classrooms.

After giving an outline of what is taught in his Algebra class, Mr. Elias Hernandez explains how his grading system works to the parents on "Back to School Night."

In order to view how much the students have progressed this year, Mr. Herb Scott, algebra teacher, has Jerry Barron, Grant

Pierce, Kendall Jewett, and Dorothy Stornetta do a graph problem. Mr. Scott also teaches trigonometry and geometry.

## New Microscopes Broaden Study In Science Classes

Fifteen new microscopes were added to the science department's list of equipment this year. These microscopes will help the students learn about the microscopic world around them and broaden their education in this field. A cabinet was made especially for them by the Wood Shop class. Audio visual aids and filmstrips were also purchased by the science department.

Another class was added to the science department. This class, Independent Study, works on projects of their own choice, such as ecology, radio activity, and nature. They work in a room especially remodeled for this purpose.

A new teacher, Mr. Dennis Buckley, was added to the science department as the chemistry and physics teacher.

Mr. Jerry Black, science instructor, gives an explanation to his students of when their science notebooks are due and what is expected to be

contained in them. The notebooks were used as a preparation and guide for the quarter test and check on progress.

# General Motors Strike Slows Drivers' Training

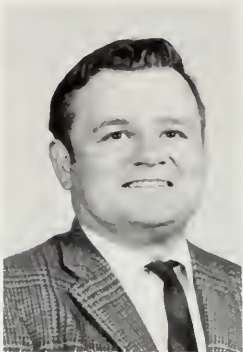

Because of the strike at General Motors, the drivers' training department had to operate with two cars. After the strike the department received two 1971 cars, then resumed its normal progress.

Students were required to attend school 15 hours a week, 3 hours per day, to earn credits.

Some projects the students engaged in this year were making Christmas candles, painting the interior of the school, constructing

a wind screen and typing.

Mr. Kenneth Forlow, director of the program, and Mr. Dewel Morgan guided their students through the continuation program.

Special Education classes were offered to help slow learning students improve their ability to learn, to develop their social skills and emotional development to the point where the student will not be so dependent upon his family and community.

Taught for the first time, Bachelor Living, was the only class in the Home Economics department offered to boys. The students practiced their skills and learned the basics in consumer's education, table manners, mending, using a washer and dryer, ironing and meal preparation. According to Mrs. Jeannie Glenn the class prepared the boys for college life and living on their own.

Miss Jeanette Evans was a new member of the staff added to the department this year.

Busily following directions for cooking a meal, these boys carefully plan what each member of the kitchen will do.

Coach Keith Dawson said, "We feel the tone of the school is set out of physical education." The coaches agreed that P.E. encouraged extra-curricular sports.

Boys participated in such sports as cross-country, badmitten, gymnastics, touch football, and volleyball.

During his daily P.E. class, Mark Ayers exercises his leg muscles on one of the eighteen stations of the universal gym.

# Rainy Weather Fails To Dampen Homecoming Spirit

Bonnie Hanner, Anna Jacobs, and Janice Warren show their spirit by participating in the car rally in the morning before school.

Heading the Homecoming activities for this year, was Spirit Week, with the first event a sign contest. Following this, Slogan Day, in which "Sweep the Mats" was heard throughout the school as students greeted each other. As part of this week, students showed their school spirit by wearing colors of cardinal and gold.

The rally and class competitions were held on Friday afternoon, with such activities as sack races, tug of war, and competition yells. The spirit trophy was awarded to the most spirited boy and girl of each class, as well as the two most spirited teachers.

Juniors cheer their hardest to win the spirit jug in competition yells during the rally held in the afternoon before the game. Later the classes compete in various events.

Screams of surprise and excitement could be heard when Cathy Cakebread was announced as 1971 Homecoming Queen.

The annual parade started at 7 p.m. with floats, bands, and the Homecoming Queen and her attendants participating. Floats were entered by FFA, Parents Club, and classes.

A light show was presented at half-time by Liberty's marching band. Stadium lights were turned off and red, yellow, and white lights appeared on the field as the band members went into action. The show was built around the crowning of the queen, as the band expressed their honor for her.

Juniors who, with Tom Annand as their leader, are trying to pull their way to a victory are not having much success as they go up against their opponents, the Seniors.

Hopping her way to the finish line is Nancy Mofield as she participates in the race. Nancy entered many events at the rally.

Parents Club shows their support for the students with their float on which they spent many long hours working.

Marlene Modrall, Diana Galletti, and Leigh Ann Austin present a skit to the Top-Five Candidates for Homecoming Queen and the

rest of the student body during the rally. Smiles can be seen as the girls talk about their "box" and it's different flavorings.

# Western Garb Sets Mood For Barn Dance

Western garb set the mood for the annual Barn Dance, held October 17, in the Boys' Gymnasium. As in the past, the Future Farmers of America sponsored the dance and decorated the gymnasium with hay and wagon wheels to create an atmosphere of the old pioneer days.

Dancing participants were turned on by the sounds of the Key Stone Park. Screams of excitement could be heard every hour, when the doors of the haytoss were opened, as girls were seized and thrown into the hay. For more excitement, a few tried their hand at married life and ventured through the marriage booth.

Finally the highlight of the evening arrived when the top five candidates for the FFA Chapter Sweetheart were "rounded-up." Barbara Wheeler was named the new sweetheart, and received a bouquet of roses. Runners-up were Cathy Cakebread, Jeannie Carlisle, Debbie Davenport, and Janet Freeman.

# International Christmas Uses Many Unusual Foods

Delicious aromas of various foods from round-the-world attracted many students and observers at the annual International Christmas, held December 16, in the activity center during seventh period.

This food display was sponsored by members of the American Field Service to present to the school and community the importance of Christmas, not only here, but also in countries all around the world.

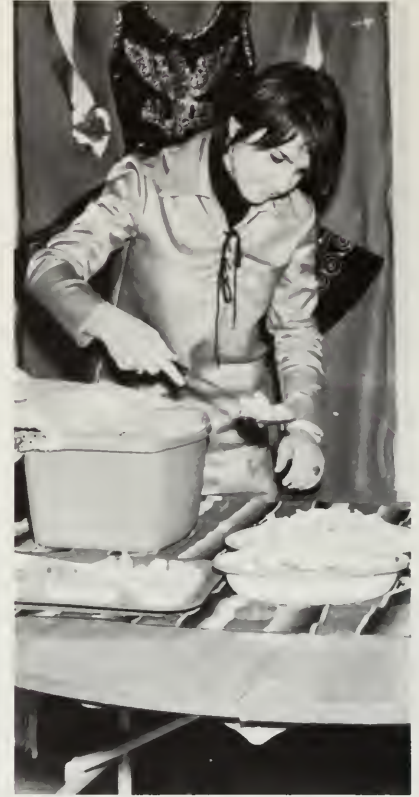

The different tables on exhibition included foods from Italy, Mexico, Japan, Germany, and the new ad-

dition this year of foods from Israel.

This gathering gives people a chance to meet other foreign exchange students from Northern California, as well as getting acquainted with Liberty's foreign exchange student, Chris Tsepos.

Entertainment for the afternoon was provided by the singing barber-shop quartet and a pinata added a touch of excitement.

Laura Serna and Tim Maggoire spend most of their spare time between dances relaxing while Marsha Wadlow stands by with a watchful eye and big smile.

Mistle-toe and jolly cheer helped spread the Yuletide spirit at the annual Christmas Capers Dance held December 18.

Featured for entertainment was the Calvary Band, whose music was not in accordance with the usual Christmas carols, but satisfied participants with their rock beat.

Special guests for the evening were Mr. and Mrs. Santa Claus, imitated by Jeff Buckingham and Linda "Gooch" Ghilarducci. Mr. Claus occupied himself throughout the evening taking various Christmas list orders, and later joined Mrs. Claus in an imaginary marriage booth where they generously distributed candy canes.

After an evening of enjoyment students reluctantly returned to school the following week, awaiting their Christmas vacation.

Julia Lasater, Karen Harrison, Cindy Celoni, and Erica Dawson are greeted by a white beard and fat belly, more commonly known as Santa Claus, Jeff Buckingham.

Taking careful aim to sink a perfect basket is Anna Jacobs, a senior at Liberty this year. The team is coached by Miss Barbara Tescher, the gym teacher.

Rounding up spirit for their up-coming game are members of the Liberty all-girl basketball team. The girls enjoy the play and school competitions.

Roberta Aguirre stands ready to aid Malinda Smith in hitting the ball over the net, as Liberty's coach, Miss Barbara Tescher watches.

Mel Gerkin keeps the ball from the opponent's hands, as she runs down the court, proceeding to try for a basket and 2 points.

# Girls Play In Basketball, Swimming, Volleyball

Spirited and ready for action was the key concept to the all-girl sports teams at Liberty. The various sports represented were basketball, volleyball, and swimming.

Miss Kaye Axelgard coached the volleyball players, consisting of two teams, labeled as the A team and the B team. The two teams played eight other schools, including Berkeley, Acalanes, Piedmont, Granada, San Ramon, DeAnza, Monta Vista, and Miramonte.

Supervising the basketball team was Miss Barbara Tescher. For this

sport, also, the two teams were divided into A and B teams. The basketball team competed against mostly the same schools as in volleyball, with the addition of Pinole and El Cerrito. Miss Barbara Tescher also coached swimming, victoriously winning two meets against Berkeley and Pinole.

Participants in the activities were freshmen, sophomores, juniors, and seniors belonging to GAA. This organization was sponsored by GAA and functioned as a part of GAA extramural activities.

Ardie Dawson jumps up with high hopes of sinking the ball, while her team mate, Lovon Mofield anxiously awaits her shot.

Liberty's Nancy Collins tries to reach the ball before her opponent. Team mate Melanie Gerkin, is on her way to the rescue.

Linda Ghilarducci eagerly awaits the ball's return as she prepares to send it flying, back over the net. As a senior, Linda enjoys her last year of activities.

Mexican Dance Troupe from Mexico City entertain students of Liberty for an hour performance in the morning. The Troupe presents a variety of songs and dances.

Performers are on a semester break from the University of Mexico. Liberty is one of their last stops in their tour of California.

Dances are of Mexico dating from the Colonial Period and are mostly from Jalisco and Guirrero, states of Mexico. The costumes date back to that period of time.

La Raza Unida sponsors an assembly held on February 5 for the student body, featuring the Nezoa Dancers from Mexico.

# Mexican Dance Troupe Entertains Student Body

With the help of the student council, the La Raza Unida Club was able to sponsor an assembly held February 5.

To entertain the student body, they invited the Nezoa Dancers from Mexico City, who danced and sang accompanied by guitar and piano.

These performers were students on semester break and entertained as a hobby. They have been on tour over California and have visited fifteen schools in the Bay Area with three performances each day.

These performances included the regional dances of Mexico dating from the Colonial Period, and were primarily from the states of Jalisco and Guirrero.

Liberty was one of the dancers' last stops before their departure for Mexico.

Donkeys were the center of attraction, as they displayed their well-known talents of stubbornness during the Donkey Basketball Game held on the night of March 3.

Observers enjoyed a hilarious game of man upon beast while trying to play basketball.

This game was sponsored by the Future Farmers of America Chapter, in which its members participated. Faculty and members of the Brentwood Lions Club competed against the students, but with no luck, lost all games.

Guiding the FFA members while working to make the game a success, were Mr. Gary Lewis and Mr. William Michaud, the club advisers, and Lewis Diffey, president.

Leigh Austin races to the basket hoping to put the ball in, but Mr. Bill Batze, following close behind has different plans.

Robert Cook isn't having much luck staying on the donkey's back, yet the crowd seems to think his situation is rather humorous.

Mr. Bill Batze seems to be getting his share of the struggle for the ball, while Frank Miguel looks down to see what's happening.

Mike Garcia soon finds out that donkeys aren't the most helpful animals in the world. In this case Mike is determined to get the ball but the donkey prefers to stay put.

# Members Work To Sponsor Annual Carnival

Linda Mc Lendon and Heather Honegger help one of their customers choose a prize, after playing a game at their booth.

'Ring a coke bottle and win a prize,' is the idea, as Dennis Baldocchi attracts participants by displaying one of the many prizes.

Hot dogs, popcorn, and cotton candy were only part of the fun at the California Scholarship Federation sponsored carnival, held April 2 from 7 to 11.

Members of the club worked throughout the day to prepare the gymnasium with various booths of fun and games under the supervision of Miss Ethel Van Tassel, the club

adviser.

Both young and old enjoyed playing games and talking with the clowns, which were an important part of the carnival clan.

Added entertainment for the evening, was the announcement of the raffle contest winner, Janie Cummings.

Neta Monroe and Joyce Rogers enjoy their job, while selling tickets to Jeanette Aden. All games were purchased by tickets.

Lill Pierce and "Och" play a happy tune, as Grant Pierce tries coaxing them over to his booth, at the annual CSF carnival.

Sue Zavala patiently stands behind the table with the lolly-pop tree. Don't laugh, she seems to be getting a lot of business.

There's more to a carnival than just games, there's food and lots of people.

Sylvia Braheny explains the directions of her game but Aaron Kaplan and Mel Gerkin don't seem to think it's as easy as it sounds.

Cathy Rivers and Cindy Celoni greet the camera with smiles. They are two of the clowns who make the carnival a success.

# Seniors Celebrate First Picnic In Santa Cruz

Fun and excitement were had on June 1, as this year's graduating senior class held their senior picnic in Santa Cruz, for the first time ever celebrated there.

The students boarded the Liberty buses at 8:30 a.m. with refreshments provided by the class, and anxiously left to spend the day on the Santa Cruz boardwalk and beach.

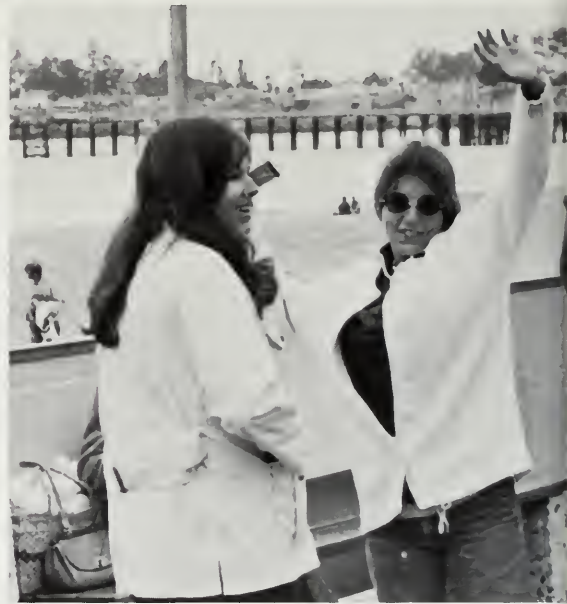

After the excitement of rides, waves and a day in the sun, the students were tired, and glad to come home, but were left with happy memories of their senior picnic.

Mary Castro, on her way to catch up with her friends, passes fellow classmates, Ernie Borbon, John Hernandez,

and Terry Moore. They are on the boardwalk, with the Santa Cruz beach and Pacific Ocean in the background.

Chaperone Kenneth Forlow, Flips the peace sign, as he and his date Doreen Pierce take a rest from the excitement of the boardwalk.

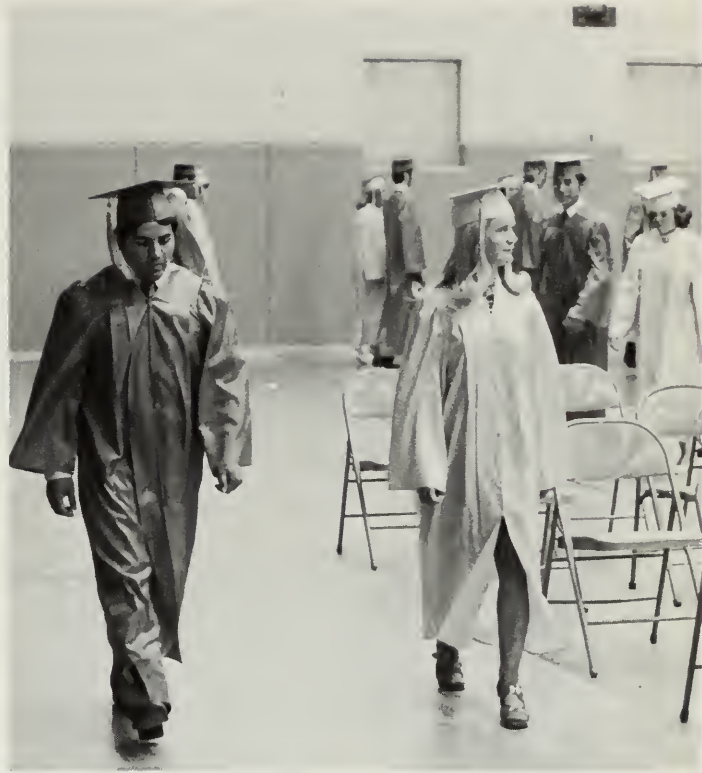

Carmen Ochoa smiles as Debbie Gill stretches in the fresh ocean air on the Santa Cruz boardwalk.

Sal Navarro, Javier Munoz, Frank Miguel, and Steve Baker pause with a smile for the camera, while taking care of the refreshments, which were supplied by the class.

## Seniors Hold Baccalaureate In Stonebarger Gym

Graduating senior students of Liberty Union High School, attended their Baccalaureate Service, June 6, in the Stonebarger Gymnasium at 3 p.m.

Speaker for the ceremony was Reverend Darrell D. Hoyle, introduced by class president, Steve Bronzan.

Originally, Baccalaureate is a degree given when a person graduates from four years of college. This idea has been adopted by high schools, such as Liberty. It is simply a religious observance during a time of graduation.

Senior students listen intently as they recall the events of their past four years, and look forward to the future. A flute solo was pre-

sented by Susan Clark, accompanied by Louise Chastik. The madrigal also performed and the A Cappella sang for the choral benediction.

# Seniors Bid Farewell At June 11 Graduation

# GAA, Block L Present Annual Sportscade

Attempting a back flip on the trampoline, is Steve Baker. The Sportscade is being presented for the second year in a row.

Entertainment for sports fans was provided on May 12, as the Liberty Block L Club, along with the Girl's Athletic Association, sponsored a second annual Sportscade in the Stonebarger Gymnasium.

Coach Jack Ferrill was the head supervisor, with school coaches, Jerry Miller and Keith Dawson assisting on the various activities of wrestling, judo, and boxing.

Miss Barbara Tescher and Mr. Herb Scott worked together and supervised both gymnastic and

tumbling techniques. Performing in these routines were elementary and also high school students.

The purpose of these various sports demonstrations was to help pay for the universal gym. The universal gym is a one piece muscle-building program designed to help build muscles in any part of the body. It is more versatile than the old system, consisting of eighteen different stations, providing an exercise routine for eighteen occupants.

Russell Blacker sets up his opponent with a huge roundhouse right during the sports presentation on boxing, only one of the many events during the program.

Ardie Dawson demonstrates a straddle in mid air above the trampoline at the Sportscade. The program is presented by Block L and GAA, to keep up the universal gym.

**Jerry Richardson** and **Kyle Ferrill** demonstrate their skill in judo. Their performance added to the variety of the show.

Practicing before the show begins, all the girls participate in the routine that opens the evening for the Sports Cade.

**Michael DeLuna** and **Elias Jaurequi** show off their wrestling abilities. It was just one of many sports demonstrated.

**Ardie Dawson** and **Sharon Seko** perform their skit on the ground and in the air. Their skit provided humor for the audience.

## Varsity Football Team Grabs Second Place

"This year's Varsity squad is the finest team I've ever coached," said Coach Jack Ferrill. "They worked hard enough to be champions and should have no regrets, they played like champions."

A new assistant, Coach Floyd Reese, was added to the Varsity Football squad. He was All American from UCLA last year and was a valuable asset to this year's team.

At the annual Sport's Banquet in attendance were three "Rose Bowl Bound" members of the Stanford Indian team and fellow classmate, Doug Adams. Adams introduced his guests who read a letter of congratulations from Heisman Trophy winner Jim Plunkett. Special football honors went to Jim Honegger, who won the Most Valuable Player Award and the Ted Ohmstede Backfield Player Award. He was also chosen captain

along with Steve Bronzan and presented with Antioch's Worthy Opponent Award. The Ted Ohmstede Most Valuable Lineman Award was presented by Coach Reese to Mark Dwelley and Bronzan. Anna Gianinni, a sophomore and the first girl ever to address a Lion Sports Banquet, summed up the Lions' 6-2-1 football season pointing out that Liberty's traditions have been preserved and handed down to each succeeding generation.

They ended the season with a very impressive record and second in the league behind rival Amador. Liberty barely missed a co-championship when Dublin, also a Liberty rival, almost upset Amador.

"Self motivation and self discipline, they knew what they had to do and they did it," commented Coach Ferrill.

# Liberty Soccer Has Season With Many Firsts

It was a season of many firsts for Liberty soccer this year. New coach, Frank De Parsia lead the team into its first year of league competition. Also a junior varsity squad was introduced.

Four members placed in All League positions. Terry Yates at goal and Mario Sanabria, left wing. On second string were Francisco Ceja, forward, and John Stanton, left halfback.

Coach De Parsia felt that the team had the capability and personel to be first in the league. He said that although Liberty soccer was well developed in skills and fundamentals the other teams surpassed us in desire and determination.

Coach voiced pleasure that every one played and the team maintained good morale. He also thought team support was good.

Team captain Mario Sanabria and most valuable player Terry Yates were voted for by the team.

Glenn Phillips, 18, battles for possession of the ball as his team mates come to his aid. Jaime Melgoza, 24, John Stanton, 23, and Max

Sanabria, 3, come to try to turn the tide of conflict in Liberty's favor. Together they all succeed in controlling the ball.

Mario Sanabria tries but missed the ball in a vain effort to move the ball downfield. Jaime Melgoza, 24, managed to control the ball and kick it downfield.

Hibbard's California Clinic played an important part in the talent displayed by this year's rally squad. The squad attended the songleading and cheerleading camp last summer for five days. They learned various routines and cheers and some of the basic duties of being rally squad members.

While at camp the songleaders received a first place trophy and ribbons. The junior varsity cheerleaders received first place ribbons also. The squad was presented with the spirit jug for one day.

The girls earned money for the camp by holding a car wash last school year. Throughout the summer they held cake sales.

Another clinic was attended at the end of the 1969-70 school year. Held in San Jose the one day clinic introduced the girls to rally squad.

As basketball season rolled around rally squad sold candy and held a paper drive. With the money earned the entire squad was able to have new uniforms for the spring sports.

# Varsity Wins EBAL Championship In '70 Season

Ray Sanchez winds up and throws a fast ball to the Cowboy opponent at bat. Liberty lost to Livermore at Liberty 3-8.

Rick Fortner receives congratulations from the Lion team after he knocked in three men which gave Liberty the edge in runs.

Rick Fortner rounds first on his way to an almost home run. Fortner was tagged out at home as he slid into the plate.

"Varsity Baseball had a slow season," said Coach Robert Glenn. "This year we had a lot of potential but we just couldn't get the hits for the runs."

Varsity Baseball saw eight of her returning lettermen who last year had averaged .300 but this year few batted near that.

With only three weeks of practice before their first game the Varsity started slow then picked up speed near the end.

One of the outstanding players was Ray Sanchez who tied the league record in pitching with a 5-2 record for the season.

Said Coach Glenn, "We had a good defense, and the pitching was good. We left many runners on the bases and if we could have had the hits, we could have done as well or better than last year."

The Varsity squad ended the sea-

son with a 6-6 league record and a 9-10 non league record.

For the first time since 1939 Liberty was declared outright champion baseball team of the league. Liberty had the highest batting average and had won the most games of any other team or in the history of Liberty.

At the Annual Baseball Banquet Most Valuable, Pete Barrera, and Most Outstanding Defense and Captain, Frank Rosas were announced.

Liberty had four on the EBAL selections. Jack Upton was the first Lion ever to win the batting championship with a .452 average. Merle Knight tied the League record with four triples, two in one game. Pete Barrera was in pitching with a 5-0 record and Frank Rosas, most outstanding defense player.

The Lions ended the season with a 10-2 league record.

Stan Smith uses a fairway iron to knock the ball on to the green. Stan played in all of Liberty's matches this year.

Golf in it's second year at Liberty had a turnout of 19 signed-up members narrowed down to 8 regular players.

In Coach Scott's opinion the team played their best match against Amador making their highest score of 62.

The new sport was provided with a budget for balls and other necessary items by the school.

"An important part of the season was playing a full schedule against competitive teams," said Coach Scott.

Sophomore Alan Hanson putts toward the flag. He attempts to lag the ball close to or in

# Track Team Builds for Future In 70-71 Season

**Frosh-Soph** pole vaulter Bill Hopkins clears the bar at 9'6" to place himself fourth against high ranked Livermore.

**Jumping high,** Jim Davis moves ahead of two Livermore opponents. In the 70 high hurdles Davis succeeded in placing second which helped Liberty's 28-108 score.

"We had mostly young track members," said Coach Keith Dawson.

Plagued by a half squad, the smallest turn out in a long time, the Liberty Lion track team had many close games and ended the season with a 1-5 league record which placed them ahead of John Swett.

"The ones we had did an excellent job and really put out well. I feel they should be proud of what they did accomplish," commented Varsity Coach Dawson.

Last year the Lions again took the championship away from the Amador Dons. In a dispute over one point to find the league winner Coach Dawson succeeded in obtaining the hard won championship trophy for Liberty.

The Varsity squad ended the season with an 8-1-0 non-league record and an 8-0-0 league record which placed them first in the league. The JV posted a 1-8 record beating John Swett.

**Gary Foust** starts his kick as he enters the last part of his race. Foust ran the mile race and placed fourth against Livermore. The Lions lost to Livermore at Liberty 32-104.

# Sales, Dances Help Freshmen to Raise Money

Some of the freshman class activities this year were: cake sales, bottle drives and two dances, which were in February and April. As Homecoming approached, freshman students involved themselves in selling corsages.

The freshmen worked long and hard to complete the float entitled "Mats Can't Dig."

With this much success in their first year, they should have greater success in their remaining years at Liberty.

# Sophomore Officers Choose Two Ring Styles

After a very successful freshman year, the sophomore class began the year with high goals. They were again headed to success with David Navarette as their president. Other officers were Patti Dell Antico, vice-president; Lillian Pierce, secretary; Jeanette Aden, treasurer; and Lori Massoni, representative. These officers contributed much of their

time to narrowing down ring styles to two choices. The sophomore class then made the final decision in choosing the ring.

While the rings were not the only highlight of the year, the class sponsored the annual Sophomore Hop in the Spring.

The helpful cooperation from class

advisors, Mr. Jerry Black and Miss Julia Arce, was greatly appreciated as was shown in their class treasury. Their treasury more than doubled their budget from the previous year. In addition to this, the sophomores produced a float entitled "Beat the Mats." Long hours and hard work were put into constructing it.

# Class of '72 Captures Second Straight First

Junior class officers Larry Lopez, president; Doug Myers, vice-president; Debbie Hardin, secretary; Mary Hanson, treasurer; and Judy Demartini, representative along with class advisors Mr. Gerald Crawford and Mrs. Sue Fortner, led their class to another success in the annual float contest for Homecoming activities.

Their float, titled "Brew the Mats", brought them first place, which they had received the year before.

During the Homecoming rally, it was announced that juniors had won the Homecoming Trophy. This trophy is awarded to the class that receives the most points for their participation and completion of

activities.

Activities, which the juniors engaged in were, sponsoring the Homecoming Dance and having the concession stand at the Liberty-Amador football game.

Highlight of the year was the Junior Prom, which was held late in March.

# Officers Guide Senior Class Through Final Year

Setting out to earn money for the Senior Ball and to make the last of their four years memorable the seniors succeeded in winning a first place in the tug-of-war and a second in the sack race during Homecoming activities. Their float took third place in the Homecoming Parade with the theme of "Welcome the Mats".

A cake sale, two car washes, the Amador after-game dance, and the

Christmas Capers Dance were among their activities held this year.

The seniors have come a long way since they first entered high school. As freshmen they worked together to build a float for homecoming called "Drive Em under".

The highlights of their Sophomore year were the choosing of their school rings and the Sophomore Hop with the theme of "Riding a

Carousel".

"Remember When" was the theme of their Junior Prom which was the climax of their third year.

One of the biggest events which the Seniors worked for throughout their four years of high school was the Senior Ball.

Graduation ended their four years here with a cap and gown ceremony and an all-night party afterwards.

# Ag Classes Teach Seniors To Care For Animals

Lewis Diffey and John Stanton put two white Leghorn layers back into their wire cages. They are checking for the development of a

laying hen. The boys know this by the bone structure. Mr. Gary Lewis, Ag teacher, holds the next chicken which the seniors are to in-

spect and return. In animal science classes students learn all about the care, raising and marketing of farm animals.

Maneuvering Fred Stornetta's Model A Ford through the streets of the 1970 Homecoming Parade is Sean Ferrill. The owner of the car is

to his right. Sitting behind them are Mr. Jack Adams, who is parade Grand Marshall, and his wife, Jean. The rain from earlier in the day

soaked most everything, but did not even dampen the spirits of the two seniors or the rumble seat riders.

# Staff Delivers First Complete Book To Students

The 1970 LION was awarded a rating of A by the National Scholastic Yearbook Association. The Columbia Scholastic Press Association awarded the yearbook with a first place and the National Scholastic Press Association rated the yearbook as first class.

In times of turmoil, strife, and unhappiness the yearbook staff has chosen as their theme "Happiness Is." There is a great deal of happi-

ness being forgotten, so the staff tried to carry out the idea of happiness throughout the book.

The summer delivery of the annual enabled the LION staff to include such activities as spring sports, graduation, and all other spring activities which had never been included in any previous annuals.

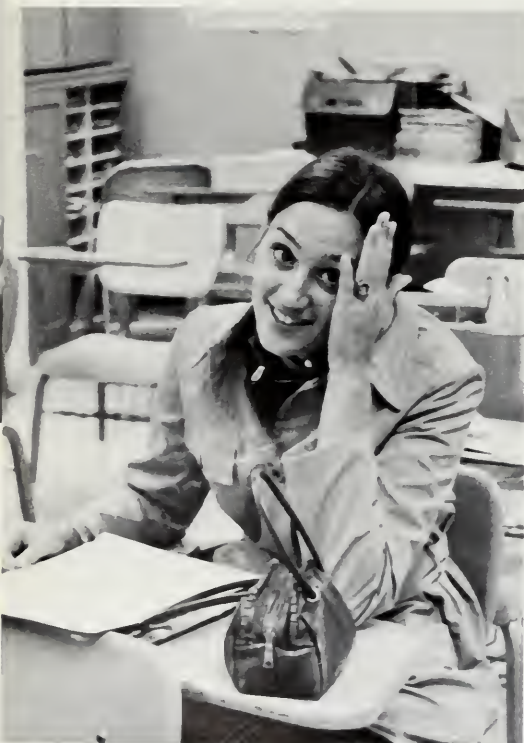

The book was increased by 12 pages which included a 17 page opening and a new 5 page closing

section. Organization pictures were not taken but were replaced by a great increase in activity pages which covered club and class activities.

The 1971 yearbook presented a new outlook to the school and its students, faculty, and community in a new LION yearbook which covered everything during the entire school year.

While busily working on one of her annual staff pages, Sharon Somerhalder asks Ken Clark his opinion on a decision of a picture to be used in the annual.

Editor-in-chief Cyndi Pedersen scratches her head and wonders what to do next with a page she is checking. This is one of the few pictures of our editor-in-chief.

Conversing with advisor, Mr. Bill Batze, Janette Aden asks about a lay-out of one of her sports pages, so that she can finish her page before the deadline

tine Duncan, Advisor William Batze, **Second Row;** Selso Fernandez, Marie Gomes, Sharon Somerhalder, Patty Dell Antico, Vada Graham,

## ‘Thank You’ To Those Who Help Prepare LION

When producing a yearbook you have to depend on many other people. Without these people producing the yearbook is impossible. I would sincerely like to thank those people who helped:

American Yearbook company for the printing and assembling of the 1971 LION yearbook;

Administrators and faculty members for being so cooperative in

granting our last minute requests;

Mr. Hal Matson for all the assistance and excellent photographs needed to produce an effective book;

Mr. Bill Stephenson for his time and assistance in the organization of the yearbook;

Mr. Eldon Tanner for his in-the-plant production management of the yearbook;

Mr. William Batze, adviser, whom

we owe special thanks for his hours of hard work and devotion which made it possible to produce this yearbook;

1971 LION Yearbook Staff for their dedication and spirit throughout the year which made the production of this yearbook possible;

Cyndi Pedersen

Mr. Gerald Clayburn writes an admittance pass for Patsy Lago and Donna DeAzevedo, while Linda Worden and Elsa Rodriguez check over lists of absentees. The office supervisors and counseling

administrators find these girls the source of much help in checking each students attendance for the state's Average Daily Attendance record.
